

WASTE COLLECTION GUIDELINES

All Annawan residents will be provided with one 95-gallon waste cart at no cost. This cart will be serviced weekly from the curbside. Residents may swap out their 95-gallon cart with a smaller 65-gallon cart once without incurring a delivery fee by contacting us at Monmouth@LRSrecycles.com or **309.586.4410**

All carts should be placed at curbside no later than 6AM on your service day. LRS recommends that carts are placed out for service the night before. Although LRS strives to keep a consistent pick up time, weather and staffing can alter pick up times.

All waste should be bagged and placed inside of the provided LRS cart with the lid closed to ensure safe collection and to help maintain a clean neighborhood appearance. When placing your cart at the curbside place the cart at least 3ft from mail boxes, vehicles and other obstructions. The lid should face the road with the handle facing your home. Proper cart placement will help the driver navigate safely and efficiently through your neighborhood!

EXCESS GARBAGE

For trash that does not fit in the cart, LRS will provide service as needed, scheduled at an agreed upon per-yard basis billed from LRS directly to the resident by contacting us at Monmouth@LRSrecycles.com or **309.586.4410**.

BULK ITEM

If a single household item is too large to fit in a cart then it is considered a bulky item. LRS will accept one bulky item each week! Please place the bulky item next to your trash cart on your regular scheduled collection day. If you have multiple bulk items you can wait until the following week to place a single item out or contact us at Monmouth@LRSrecycles.com or **309.586.4410** to schedule the item for an additional charge.

WHITE GOODS

LRS will provide collection of major appliances, including but not limited to ovens and refrigerators for a fee of \$25.00. White goods must be scheduled with LRS because these regulated materials do not go to the landfill and require separate collection. Please contact us at Monmouth@LRSrecycles.com or **309.586.4410** to schedule.

ADDITIONAL CARTS

Should you need additional cart capacity on a permanent basis, the Village can order one for an additional monthly fee. Please contact the Village hall for more information.
